CHAIRMAN REPORT

Howdy All:
Well I finally have a little to report this edition. Looks like we are going to have at least Three Chairman Contests this year. See flyers further down.

May 29th & 30th hosted by Frank Lawton and Dan Laggase in Sturgis S.D.

June 17th & 18th hosted by Jim Tinsley, Mike Landis, and their gang in Owasso, Ok.

August 28th & 29th hosted by Howard Baker and his group in Gaston, Oregon.

Friday 28th the year's Board Meeting will be held at approx. 6 PM at the shoot site in Sturgis. There are at least three proposals to be voted on. See further down.

I hope to see most of you there. Several folks are making a big effort to help us get back To normal and shooting again. Lets show them the best support we can.

Take Care & be safe everyone.

Dan Qualls
WFDA Chairman

Rule Change Proposals for 2021 Board Meeting

Proposal 1. Page 20. Add - CFDA legal timers to WFDA approved timers for ALL contests.

Purpose - We have several new active WFDA members & shooters that already have CFDA legal timers that like to shoot & put on WFDA contests. Adding these timers will make WFDA much easier and attractive to those shooters. The currently legal WFDA timers are also becoming very hard to acquire. This proposal has nothing to do with Targets.

Submitted by Dan Qualls

Proposal 2. Page 1. Remove "At least fifty (50) percent of the board must be present to vote."

Add – Decisions will be decided by majority vote of Board Members present.

Purpose – We have seen much difficulty the past two years (and more) due to various occurrences beyond our control that can prevent the Board Meeting from taking care of business due to the required fifty percent requirement.

Submitted by Dan Qualls

Proposal 3. Page 6. ADD – If a Contest Host thinks their contest has a possibility of running past time available and there is a chance they may have to cancel an event due to time running short or other problems, the Host must list the "event" which could be withdrawn should a delay of the contest occur. This "flexible" event must be decided upon and listed in the published flyer 30 days before the contest.

Purpose – Occasionally a contest Host will want to put on as many events as time allows and something happens that they may have to skip an event (not allowed per rule book). This proposal would allow a Host to schedule as many events as they think they might possibly be able to get in without being fearful of lack of time.

By deciding & publicizing the "flexible" event in the flyer ahead of time, it should eliminate problems at the contest as to which event will be canceled. I have seen such a problem in the past.

Submitted by Dan Qualls

To all members of the WFDA:

As we all know 2020 was a very tough year for us. No Chairman Contest & very little shooting due to the virus (& politics).

A few of us have been trying to figure out how to get us shooting again, without anyone putting on a Chairman Contest & losing money while going through all the work & effort.

Frank Lawton stepped up by changing his Vice Chairman Contest to a Chairman Contest.

Howard Baker said he would do the same if we came up with the three Chairman Contests required to have a year end Championship & buckle presentation year.

Jim Tinsley said he would put on a Chairman Contest to make it at least a three Chairman year.

Here is what the WFDA is going to do for the 2021 shooting year.

The WFDA is going to guarantee to all Chairman Contests (which have been approved by the Chairman), by sponsoring to that contest $1000.00. This amount to be paid regardless whether or not you have enough entry fees to cover the pay out. This money has to be used to benefit the WFDA in some fashion. Also, if for some strange occurrence you do not cover the minimal amount by entry fees, the WFDA will make up the difference between the entry fees and the minimal pay out.

Hope everyone has a great year.

AREA 20 (B.C.) WFDA VICE CHAIRMAN REPORT

Hard to believe another few months has gone by and its time for another report.

First and foremost, at the time of writing this, our very own Dennis Robinson is having a birthday and I just wanted to wish him a very happy birthday and a big thanks for all he has done for the sport of fast draw over the years. Not many can boast of being in fast draw for around the 60-year mark and being just as passionate about the sport as the day he started.

We are also happy to hear that the WFDA is able to get some Chairman contests going again for the 2021 season and regret that most of the Canadians will not be able to attend any from the looks of things right now. We still have border restrictions in place imposed by both sides of the border for non-essential travel.
The Canadians also face, at this time, a burdensome task of when we come back across the border into Canada at the very least having to quarantine for 14 days. Another thing that Canadians are being mandated to do is stay at a quarantine hotel for 3 days, at our own expense, and after 3 days and a negative test you are then to go home to finish the quarantine. This can add up to a couple of thousand dollars more for the stay and lost work. This just does not make it feasible for most of us to do at this time.

On a brighter note the Thunderbirds are back to practice nights again and Friday April 2nd was our first night back and it went off well. We are restricted, at this time, to how many members we can have out at once and are doing the attendance alphabetically. It was good to see and hear the wax being sent down range again and some of our members being able to shake the cobwebs off from a long absence. Thanks to Dennis and Karen for setting this up for the Thunderbirds.
Dennis has also sourced out some fancy new masks for us to wear at the club (part of our health orders up here for enclosed areas)
I have included a picture of the new masks along with some pictures of the club reopening that Dennis has taken and captioned.

In closing I wanted to thank Dan and the rest of the board and members that have taken the initiative to ensure the WFDA can have a season of shooting this year. While it hurts that we can't be there for this year it will be good to see the pictures and hear the stories of how the contests went.

Shoot fast and straight.

COULD KAREN ROBINSON-ABOVE-BE THINKING; "I BET IF I WAIT HERE LONG ENOUGH SOME OTHER SHOOTERS MAY SHOW UP."?

SHAWN SAYS HE CAN TIGHTEN THEIRS UP AT THE NOSE TO PREVENT FOGGING OF GLASSES. KAREN HAS ALSO INSERTED A FILTER IN MY NEW GUNMASK TO MAKE IT MORE 'VIRUS RESISTANT', OUR OWN TBIRD LOGO MASKS ARE BEING PRINTED UP FOR NEXT DELIVERY.

VERY KOOL !!! -Dan
