## CHAIRMAN REPORT

Howdy Shooters:

Well we have two Chairman Contests down and two more to go. The contest in Canada was outstanding. If you missed it you missed a great contest and a wonderful time to visit most of our Canadian shooters. The Thunderbirds have a great group up there. Not only are they good shooters but very active in promoting the WFDA as well as their local club. Thunderbirds are a very busy and hard working club. Den, Karen, and most of the Thunderbirds work all year long not only organizing the World Blank Championship but also doing various demonstrations & shows. They also attend multiple political meetings to ensure the contest can continue in the future.

This was the best border crossing I have experienced yet, going and coming. Going into Canada took approx. 15 minutes, coming back into the states (where I usually have the most problems) took only about 5 minutes. Congrats to the Border Patrol for being courteous and efficient

Unfortunately not everyone has the luxury of being able to attend all the shoots. Those who can attend should make an effort to do so if possible. Contests hosts put in countless hours, hard work, and in many cases out of pocket expenses. The success and future of these contests rely upon member support, entry fees & sponsorships.

Our next Chairman Contest is in Banks Oregon, August 19 & 20<sup>th</sup>. Howard Baker is working very hard to make sure we have a good contest along with other interesting side events (see flyer). Lets give Howard all the support we can.

Couple of interesting links you may want to check out.

Hope to see most of you in Oregon soon.

Take Care

## **Secretary Report**

Well, ladies and gentlemen, only two more contests to go before this year is completed. We just came back from Canada. We had a really nice time up there. They had a lot of celebrity shooters this year. It was fun to watch them practice and shoot. The contest went well. We didn't have any bad weather and it never got awfully hot either day. It was nice to see Joe and Virginia Colwell along with various others who make the shoot interesting. There were people who make the contests interesting, but were unable to attend (Missed the two Jon's). We actually went in to Canada and came out without any trouble for the first time in three or four years. Banks, Oregon is coming up the middle of August and last, but definitely not least Baker, Montana in September. Look forward to seeing the people who can make it to those. Happy shooting in the last two contests to all you who make them. See you down the road.

Ruth Ann Qualls

Secretary, WFDA

## Vice Chairman Reports

### Area 7

Hello this is Larry from area seven Las Vegas Nevada. Just to let you all know that we are still alive and well.

While the temperature has finally cooled off it got down to 104 degrees. In my last report I stated that we had a pro-hockey team in Las Vegas called the Golden Knights, now we have a pro-football team the Raiders from Oakland moved to Las Vegas I will start play in within two years, and now they're talking about having a pro-soccer team company Las Vegas[personal comment I really don't care]. Going to Oregon this year hope to see you all there this is August which is our so-called monsoon season with rain, but it never rains on my side of the valley, it only rains on the West and South but never on the east I guess sunrise Mountain where I live.

It will be good to see you all for the first time this year and renew all of our friendships in Oregon. Nothing much going on here just try to stay out of the slide don't melt, see you all in three weeks and banks, all take care and stay well.

Remember

never take life seriously, you are not going get out of it alive anyway

if you don't take care of it you will lose it

### Area 8

Wow! Time sure is flying by, Oregon then Montana and the year is over.

Montana Dan has sure put together an interesting competition. Check out his page and see the WFDA engraved gun put together with the help of members.

Mr. and Mrs. Montana Dan always put on a top quality contest. Thanks for all you do!

Looking forward to seeing you all in Oregon in just a few weeks.

Frank and Judy

Some of our Fast Draw Ladies

## Area 9

Howdy from Area 9. It is hot here, it has been over a 100 here many days in the last three weeks. Looking forward to winter, except for no contest being held during the winter. Good thing I have a shooting range in my basement, or I would not get any practice in.

We are gearing up for the Kansas St Championship October 28<sup>th</sup>. We sure had a lot of fun at last years, Ks. St Championship. We held it at Ken Birdwells ranch in Arkansas City, Ks. It will be there again this year. We will have a cookout after the contest, so bring a side dish and what you want to drink. Looking forward to seeing you there.

Also coming up is the Oregon Chairman contest in Banks Oregon. Looking forward to going to it as I was unable to go last year due to being sick. Hope to see you all there.

SHOOT FAST AND TRUE

"WFDA AREA 20 (B.C.) REPORT: Den Robinson

Howdy All; What a busy club at this point! The Thunderbirds have just been asked to do a Birthday Party FD demo in August, and I doubt we can do it, as that is 'Oregon's Weekend! As well, a "low budget" western short film is being filmed in the area and has asked for our help with that.. I also have to meet soon with two potential sponsors for next year's Worlds' shoot in July, and yes, the AAFFA (Aldergrove Fair) wants us back again, so we will be in the process of Sanctioning it for its 11<sup>th</sup> consecutive year! Further, we are awaiting the filmed segment of our Celebrity Shootout practice and the Saturday part of our World's event contest to be aired on T.V., which, I am told, is happening on August 6<sup>th</sup> at 9 pm, then aired again on August Some of it was already shown during the weekend of the contest, and some of the Langley R&G Club members came to tell us they'd seen it and then they watched our shoot on Sunday. (for those who receive Channel 123 (CHNUDT) on Telus and JOY T.V. on Shaw, you will get to view it. For those who don't subscribe to either, it will be available 'online' after the two programs are over...

I've since sent the results of our World Championship contests-including the Celebrity Shootout and the 'Canadian Gunthumbers' Championships to two of the local papers. As well, Kurt Langmann, Editor of the Aldergrove Star newspaper, has written a fine record of our contests' history in the new Aldergrove Fair's Fairbook and has included a 'shooting' photo of Brian Colwell and Bill Duff in his papers' pics of the Fair! Also, during the start of our usual 'Sixgun Shootout', the Fair's President, Robin McIntosh, gave a great talk with the audience on how important our Worlds' shoot is to them! (Having the word 'Worlds' in the title allows them to advertise that their "Fair has World Class events!" Meanwhile, the Army's 'Recoilless Rifle' (a howitzer!) which was supposed to fire at the end of our 'Sixgun sounds', made not a sound, causing some to think that maybe our Army shouldn't go to war at any time soon! Well, 'crap happens' but the Army wants to 'follow our lead' again next year, by which time they will have had some practice! (They are firing it in the 'Cruise In' next!")

CONGRATULATIONS TO ALL SHOOTERS, and especially to our 'four' Titlists: FIRST O/A IN THE WOMEN'S WORLD BLANK CHAMPIONSHIPS went to NICOLE FRANKS (from Aldergrove) who broke one of her own records in the Doubles event, AND won the WOMEN'S CANADIAN GUNTHUMBER Title as well! Also to, JOHN LEBLANC, Aldergrove, for winning FIRST O/A in the MEN'S WORLD BLANK CHAMPIONSHIPS, and to SHAWN MURPHY, ( of Langley) who won the MEN'S CANADIAN GUNTHUMBER Title! Good shooting, you three!

Top Guns in the Celebrity Shootout Women's were: Marilyn Morgan, Rep, JD Farms, with Leah Bolton of Joy T.V. coming in Second Place, and MLA Mary Polak taking Third Place! The Top Five in the Men's Celebrity battle were: MP Mark Warawa, followed by Jack Nicholson CEO, Otter Co-op, 3<sup>rd</sup> O/A was Eric Scott of the Langley Times newspaper, with Mayor Jack Froese at 4<sup>th</sup> Place and Lee Lorents, Rep, Diamond Bar Equipment in Fifth Place!

Fastest shot Women's Celebrity was Marilyn with a .611, and Mayor Froese (her dad) with a .511! And, what was NEAT to see this year, was some of the Celebrity Shooters getting onto the 'sixgun swing of things' by wearing western attire!

FOLLOWING SHOOTERS PLACING IN THE WORLD'S BLANK INDEX WERE:
