CHAIRMAN REPORT

Howdy All:

I hope everyone is healthy and doing alright. I know several people who have had the covid virus, and to this point they have all recovered (except one or two that had other factors involved).

Hopefully 2021 will be a better year for everyone.

Howard Baker has tentatively set August 28 & 29 for a Chairman Contest in Oregon.

I hope things settle down so he can put this on.

The WFDA has a new Vice Chairman for area 5 (Northern Calif.), Greg Custodio. I have shot with Greg many times, several times at contests he has put on. Greg is very active in the Fast Draw sports and maintains an active web site, Gunfighter Gulch. I think Greg will be a great asset to the WFDA.

Take Care & be safe everyone.

Area: 9

Howdy shooters. I hope everyone had a good 2020. Here we are in 2021 things don't look so good. We can only hope for the best.

WE started off the year with a bang, our first contest was January, 30. We sure had fun. We shot in Eddie Claytons heated barn. We had 6 shooters shooting at a time. We had a small turn out with 17 men and 6 women. The food was really good also. If you have never been to

Eddie's place you have missed a great time. He and Nancy his wife go all out to see that we all have a great time.

I am not sure when or where we will have our next shoot, but it will be soon. Also Eddie's place is in Owasso, Ok which is in area 2, but I don't care where I have a contest we have fun. Mike Landis the VC of Area2 help with the contest as well as every one there in one way or another. Like I always say the best thing about our sport are the people who shoot in it. I hope to see all of you on the line some where. Untill then,

GUNSLINGERS FASTDRAW CLUB

AREA 10

Our club is still in full swing for the most part. We still run practice once or twice a month in preparation for the 2021 season. Our current weather conditions here in the Midwest prevent us from having any outdoor events at the moment, but we are still in full swing for 2021. Three of our members made it to Wichita for area 9 matches in 2020 and had a blast. They have a great group of shooters out there. A few of our members are already planning trips for the upcoming season. Our club is currently planning five Vice Chairman Matches for 2021. Details to come!

If any of the outside clubs are in need of supplies such as primers or brass.

Feel free to put in a request with Clinton@5starfirearms.com

AREA 20 (B.C.) WFDA VICE CHAIRMAN REPORT

Well, there sure isn't much to report for the Thunderbirds at this time.

Dennis has been in contact with some people through our website that want to try out and possibly take up fast draw. Unfortunately, that is on hold for a while because we are still not able to do any practice at the gun club for fast draw due to the government-imposed lockdowns.

It is important to get that fast draw hook set as soon as possible for people that want to try it or they end up like me and wait 20 plus years after first seeing it for the first time.

Dennis and Karen have still been active in the Langley Rod and Gun Club as they are members on the Board there (along with Jacob Alger of the Tbirds)

They have been doing meetings by zoom and staying on top of everything that needs to still keep running.

I do want to say a big thank you to Karen, Dennis and Jacob for volunteering their time to be on the board of directors of Langley because they ensure that we have a place to call home for our practice and events.

I have included some pictures of some of the Thunderbirds in action and some Halloween fun that our webmaster and treasurer Ted Schenkeveld has take over the last while.

Hope to see everyone as soon as we can and we have sure miss seeing our fast draw family.
