CHAIRMAN REPORT

Howdy Shooters:

All scheduled Chairman Contests are over. Seems like this year is really going by fast.

I think it has been a very fun year for those that were able to make a few contests. All Contests were well organized and ran very well. I want to thank all those people that volunteered to help at contests, especially those that don't even shoot.

I also want to thank all the Officers of the WFDA, without your efforts the organization could not exist.

I especially want to thank our Treasurer, Miles Miller. He was not able to attend any contests this year but he let nothing stand in his way of doing an excellent job as WFDA Treasurer. Miles is very dedicated to his position and a pleasure to work with.

I communicated a bit with Ethan Rudd regarding him serving as Public Relations Officer for the WFDA. I was able to convince him to take on the task. I have competed with Ethan for many years and have watched him grow up (way up) in the WFDA. Ethan is young, energetic, very smart, and has some good ideas about approaching potential sponsors. I think he will be a good asset for us in the future. Thanks Ethan.

October is the month for nomination of Officers. If you want to run for an office you will need to submit your name in October. If you want to nominate someone, please communicate with them and make sure they are willing to serve as an officer in the WFDA. If there are no new nominations, the same Officers will hopefully continue in their existing positions. This would eliminate the need for the WFDA to be out the expense of mailings and Notary Publics required for an election.

The three Executive Officers, Chairman, Secretary, and Treasurer, have agreed to stay on for the next term if that is what the membership wishes.

The Holiday Season will soon be upon us. Ruth Ann and I hope everyone in our WFDA Family has a wonderful and safe Holiday Season.

With all the turmoil going on in the world right now I just thought I would throw in my favorite quote. "A man stands tall when he stoops to help a child".

Take Care Everyone

Dan Qualls
Chairman, WFDA

Secretary Report

Hello to all WFDA members. This year's contests are finally in the 2017 books. Congratulations to all of you who are the yearend winners and everyone who made the shoots and placed in each and every event. Congratulations too, to the record setters and breakers. I got to see shooters and spouses who I have met before. I even got to meet some new shooters who I haven't made their acquaintance before. That was really neat because I have heard about them for a long time. Thank you to each and every one for making my travels to these events so enjoyable. You are truly a remarkable group of people. We now have time to enjoy the upcoming holidays; also, to recoup from the traveling and start planning for next year's events. It won't be long before it's time for dues again. Thank you ahead of time for getting them paid. God bless & enjoy the holidays. Hope to see you next year.

Howdy to all from area #2 We have had two shoots in our area so far this year. One in July and we had seven shooters, it was held at my place. Jim Tinsley took 1st Place and Richard Pamentier took 2nd. Margie Tinsley took 1st for the women. The second contest was at the old west celebration in Newkirk, known as Charlie Adams Day. I put on a contest at this celebration every year. Lots of Barbecue and Dutch Oven cooking and we participate in a shoot out reenactment every year. Lots of fun. At this contest I took 1st place and Jim Tinsley took second. Tinsley won the women's contest again. We have another shoot coming up at my place again on Oct. 14th. Everyone welcome. We have a cook out after the shoot and everyone has a really good time visiting and telling stories. I also want to commend Dan Lagasse on a well ran contest in Baker Montana. It was great seeing everyone.

Greetings from the West Side (Oregon) . With the 2017 WFDA Chairman Competition pretty much over for the season, Oregon 6 gun is in the planning stages for the 2018 Championship Match in Banks, Oregon (always the 3 rd full weekend in August. In spite of low match registration for 2017 (did not make purse money for 2018) the 2 raffles that we had put us close to in the black for 2018, so yes there will be a 2018 Oregon WFDA Chairman Sanctioned match (God willing and all our members get well and stay well).

Tilt Stick pot shoot was well accepted and everyone seemed to have fun competing (did not take head count but looked like we had more spectators watching the Tilt Stick competition than the regular match) and YES you can count on it being part the match for 2018, AM SURE THERE ARE SHOOTERS THAT WOULD LIKE TO TRY AND TAKE THE HONOR AND TROPHY FROM THE VERY FIRST TILT STICK WINNER (JR, out of California). OH and bye the bye thanks to the Thunder Bird Club (up north) for donating the Tilt Stick trophy.

New wings for backstop are under construction (getting rid of tarps). and possibly an announcers platform. Thanks to the Montana shoot, I won a basket of girlie FOO FOO stuff that will be re-gifted for the 2018 Oregon raffle, also thanks to other raffle winners for DONATING their winnings to our raffle.

WELP from Oregon 6 Gun- thanks to ever one that help make our match (in any way, shape, or form) a success for the 2017 season. Put if on your calendar for 2018 (third full weekend in August). See ya on the range or at a competition.

ANY SUGGESTION ON IMPROVING THE OREGON MATCH LET ME KNOW (hrbaker887@gmail.com-- 503-357-5423, we are willing to change, add or modify to make it happen.

Howdy shooters. Margie and I just got back from Baker, Montana. Wow what a shoot that was. A very well run contest lots of fun and surprises. We had a nice banquet at the Garage in Baker. The door prizes were great as was the food. I was lucky enough to win a Henry Yellow Boy rifle in .45LC. Duke Bonnett won the Ruger Vaquero engraved .45LC.

Most of us hope that is the last time we shoot on those little targets. Whee!

We are getting ready here in Area 9 for The Kansas St Championship October, 28th in Arkansas City, Ks. It is going to be a lot of fun, and we will have a cookout after the contest so bring a side dish and what you want to drink, the meat will be furnished.

On October, 14th most of us here will go to Area 2 to shoot. That shoot is in Newkirk, Ok just a few miles for most of us. Mike Landis will be the host of that one at his ranch. There will also be a cookout there after the shoot. Hope to see you there.

SHOOT FAST AND TRUE

WFDA VICE CHAIRMAN AREA 20 REPORT -D. Robinson

Howdy All; So, WOW the year is coming to another end soon enough! And the Thunderbird Fast Draw Club has been asked to re-sanction the shoot for next year! (At the end of our 2017 contest, I had asked two of the ringleaders of the AAFFA group, who basically 'hires' us- if we were to Sanction our World Open Index for next year and, basically, the answer was; "Are you kidding?" So we will continue to do so for yet another-the 11th- year. (in a row!) Yep-they ran through over 15,000 visitors to the Aldergrove Fair this year, and it is widely felt that Fast Draw is part of the reason, plus we were featured on local T.V. and in the press again....all being helpful to the Fair. As well, Kurt Langmann,

Editor of the local Aldergrove Star newspaper, wrote a nice article in an album yearbook about us-neat stuff! (Our next AAFFA mtg. is Oct 3.)

CONGRATS to the winners of our first 'WFDA Area 20 Buckle shoot of this year after three events were tallied and a big THANK YOU to the Franks family, who sponsored this one! In Women's and in Men's Divisions, respectively, the winners are:

1 st -Paula Murphy.....	Den Robinson
2 nd Karen Robinson.....	Garry Porteous
3 rd -Peggy Franks.....	Van Le
4 th	Ryan Quesnel
5 th	Shawn Murphy

The next -and last two -will be held on October 22, 2017 at the Langley Rod and Gun Club. They are both all Wax bullet events this time, and information is supplied in the upcoming contests section of this Top Gun. If anyone from 'across the line' plans to attend, PLEASE get your gun info to me asap!

MONTANA'S TRADITIONAL INDEX. While it was yet another highlight to meet-and shoot-with everyone at this most successful Baker contest, I was equally happy to have had a chance to stand on top of Evel Kneivels' jump ramp in Twin Falls, Idaho. (but not as pleased to witness the shape of Shoshone Falls or should I call them 'Shoshone Trickle'...?) We had driven through two forest fires before that, but were brightened up by the hospitality of Dan and Ruth Qualls (THANKS you too, for putting up with this contingent of confused Canadians!) until we saw the shape the Falls were in... The Kneivel Jump Ramp made up for it though, along with seeing all the mule deer and antelope-and buffalo-along the way to Baker.

One note about the contest-I was given the info that "the Hand Judge has the call-or final say" What? The Hand Judge, in MOST cases-is your RIVAL! Therefore, as our rule book states on page 22, it definitely allows for ANY shooter to access the 'Arbitration Committee', (albeit at cost) Hand Judge or not. As well, while it is the Hand Judge's right to call for a second opinion, the ONLY ones to approach the target in the event of a question, are the Hand Judges and the Line Judge. "where lithium grease is used." A GENERAL. #12, PG. 23) I just wanted to make everyone re-aware of these rules, as we seem to have forgotten them (me too.) in Baker...

CONGRATS to T/bird's own Nicole Franks who won the Women's World Index contest! CONGRATS as well, to those die-hard T/bird individuals that competed there, with many coming back with some awards and cash! Good work! Can't wait to see it all online next year! (Results of this contest will be elsewhere in this issue of Top Gun, I believe.)

Meanwhile, now that we are back at home, and working with some 'movie folks', We are linked up on their website of a 'short subject, low budget western' which is a 'Women only' western to be filmed next Spring, here in B.C. We have trained some of the staff and cast already, and more are arranged to come for 'old west' FD training at our club on Oct. 6-it will be FUN, as well as educational! You can check their progress out at:
